

# Wonder

4 YEAR

"THE WHOLE EARTH IS FILLED WITH AWE AT YOUR WONDERS;  
WHERE MORNING DAWNS, WHERE EVENING FADES, YOU CALL FORTH SONGS OF JOY."  
- PSALM 65:8

## fruition

Before kids begin to wonder where God is in their lives,  
you've shown them there's nowhere that He isn't!

WONDER /wŭn'dər/

Admiration, astonishment, marvel, amazed curiosity. Wonder is being so knock-your-socks-off in awe that one can't help but stop and take notice.

## seeds of wonder

SPIRITUAL: GOD IS GOOD

EMOTIONAL: I'M OBSERVANT AND INQUISITIVE

RELATIONAL: EXPLORE WITH ME

## cultivation

- Record your child's innocent (& comical) observations about God, about the world & about life to record & cherish in your Growfamily Journal.
- Get outside! Explore creative ways to enjoy all the seasons together as a family. (Catch butterflies or frogs, pick wildflowers, watch the moon rise, build sandcastles, chase fireflies, watch rain drops...)
- Investigate God's creation on every level: invest in both a magnifying glass & binoculars.
- Cook together, using all 5 senses, thanking God for His provision & creativity.
- Discover God's amazing design through simple science experiments & observations.
